**Exit Statement**

On September 9, 2015, Staff discussed with James E. Shuffett that WildCat Gas Analysis LLC, who have the sole covered employees for Crawford Gas Gathering, about Pipeline Testing Consortium. The consortium's website has the capability that allows employees who need to be testing to input their location and the website gives the employees a list of close by collection sites. The covered employees all have sealed testing kits provided by the HHS Certified Laboratory, Clinical Reference Lab.
